# The Chairman's Letter 2012

---

Dear Member

This is my first Newsletter since becoming Chairman in June. Firstly, I must thank Arthur Denaro for his dedication and work for AVSC during his seven years in Office. Whilst I believe he is a hard act to follow, I will endeavour to represent the Club and take it forward to the best of my abilities but more importantly so that we have a legacy for the future.

Arthur reported last year on our support of two charities - the British Limbless Ex-Servicemen's Association (BLESMA) and the Combined Servicemen's Disabled Ski Team (CSDST). I am delighted that our support for these two charities continues for a further year.

The big news from Alpbach this year is "Ski Juwel – Alpbachtal, Wildschönau", the new ski lift from Inneralpbach up the Schatzberg linking to Aufach at the head of the Wildschönau valley. There will be a full report contained in this newsletter along with the usual reports of our activities over the past twelve months.

During my brief time as Chairman, I have been impressed by the efforts and work carried out by your Committee and I would like to record my thanks to all of them and particularly Alicia Good and Vee Thursby for once again producing this fabulous Newsletter. I look forward to the support of the members as we work together in the future. I should also like to thank James Ferguson for his work on our website and Evelyn Cameron on her magnificent duties as Membership Secretary from Alistair Strathnaver's office. Finally, it goes without saying that the support of our main sponsors, Conny from Conny's Sport and Sepp and his Ski School, is greatly appreciated and I hope will continue for many years to come.

To conclude may I say how proud I am to become your Chairman and I look forward to meeting you all at our future events. Our first occasion will be the Autumn Drinks Party in London on *Thursday 6 November* and then the AGM, Christmas Party and Prizegiving in Alpbach on *Friday 28 December*.

Best wishes,  
Keith Howells

## Village news

---

**Ski Juwel Alpbachtal Wildschönau, Alpbach** and the **Wildschönau** are joining forces for a bright new future in merging their ski areas. From December 2012 the new ski area, with the appealing name “Ski Juwel” will offer snow sports lovers 145 kilometers of pistes, 47 lifts, 3 Terrain Parks and one new connecting piste. There will be a new 8 person gondola next to the Pöglbahn bottom station in Inneralpbach to below the Pechalm, where a middle station will be built and will then continue to the top station on the Schatzberg (1,903 metres).

*Statement from Markus Kofler, Head of Alpbachtal-Seenland:*

We of the Tourismusverband Alpbachtal Seenland are very pleased about the opening of the new Ski resort “Ski Juwel Alpbachtal Wildschönau” with 145 km of pistes. With the new Ski connection we are able to expand our range significantly and can offer a competitive ski area, which gives the skiers a greater range of possibilities. To keep up one must develop. Today's guests have greater expectations that is a challenge for us. With the joining of the ski areas Alpbachtal – Wildschönau we have catapulted us into the future and are now one of the 10 largest ski resorts in Tirol.

**Restaurant News** The Hallenbad (swimming pool) and Restaurant has been closed for the foreseeable future. However Flo's Restaurant has moved to where Am Eck was, just past the Post Hotel, and will continue to provide their excellent meals.

The Reblaus is going from strength to strength and has added Buffalo steaks as well as Angus beef to their menu.

## BLESMA & CSDST

---

We continued supporting our two chosen charities, The British Limbless Ex Service-Men's Association (BLESMA) and The Combined Services Disabled Ski Team (CSDST), last season for our second year

BLESMA were again in Sölden in early March 2012 for their annual skibob camp and tell us they had "a fantastic week" and are already planning their return from 22 February to 1 March in 2013. They have expressed their appreciation to AVSC for the skibob donated by the Club and the Most Improved Newcomer trophy.

It is a tribute to all those who attend the rehabilitation week that they are ready and waiting for the first lift at 08:20 every morning. The snow was good and the weather kind allowing some to compete up to 28 runs in a day. Their camp was not without a touch of danger with one of the skibobbers crashing and sustaining concussion, followed by a 24 hour stay in hospital for observation – he has fully recovered but his helmet has not!

Keith Walker our Most Improved Newcomer from 2011 returned again and was nominated as the "most improved ski-bobber". He is progressing well towards becoming an instructor. The AVSC trophy for the Most Improved Newcomer in 2012 was awarded to Jeff Winder. Well done Jeff and Keith.

CSDST continues to do an amazing job feeding novice disabled skiers into a development programme, much of which is run at indoor Snow Centres across the UK. This provides the basic skills and technique training and increases skiers' experience and confidence on snow, prior to those who

wish to take their skiing further attending a Skills Camp in Austria in November each year. At the end of this camp elementary ski racing techniques are taught and "race gates" introduced. Those showing aptitude and a desire to progress further, are then able to participate in the full range of military alpine races up to the Inter Service Championships. The skiers who show real promise are then encouraged to race at Europa Cup level and, if they achieve the requisite points, may then be invited to join the British Disabled Ski Team (BDST). This will see them participating in a range of international disabled races at Europa/NORAM/Southern Hemisphere Cup levels before progressing on to World Cup and Paralympic competition. CSDST is targeting the Paralympic Games in Sochi 2014 and hopes to have several athletes representing Great Britain

At the CSDST end of season dinner Paula and Jeremy Walker kindly agreed at the last moment to represent the Club and to present the AVSC Most Improved Trophy. The winner this year was ex Royal Signals Sergeant Mick Brennan. Mick is a double amputee and as such is a "sit skier", racing in a similar rig to that used by Sepp Margreiter on the Alpbach slopes. Mick is already competing at World Cup Standard and is a serious contender for a place in the team for Sochi 2014.

## Junior Club Training

---

We had a great season of ski training with super snow and high numbers of children. The weather was kind and although snow was a bit thin at Christmas, by Half Term it was the best for many years and lasted well into our Easter week despite a few very warm days. Some Alpbachers said it was the best snow for thirty years so we have our fingers crossed for 2013

The Junior Training Committee gauges success by improvement in skiing standards and by this measure we had a very good season with noticeable advancement in all classes; the timid gained confidence and the better skiers improved their techniques. We are pleased to see the improvement by all the kids but it does make the task of picking out the "most improved" children over the week far more difficult!

Our thanks to our partners, Sepp Margreiter and the Alpbach Ski School because the scale of improvement is mainly down to the ski school allowing us to select the top instructors and our small sized classes. The instructors were again led by Gerhard and his team who always put in a huge effort over our training weeks. Each year we ask them to put in extra hours with early morning course setting, our own early starts, additional work after skiing with video play back and at half term the extra work involved setting up the parallel slalom and then dismantling the course at the end. Our partnership gets stronger by the year.

### Half Term

The half term school holidays worked really well for us with more schools than usual sharing the same week while fewer of the continental schools were on holiday over the same period. So while we welcomed more children than ever before, averaging 48 over the week, we still benefitted from unusually un-crowded half term pistes. We had a good mix of snow conditions with a combination of piste and some great powder snow, giving us the balance we need for our trainees to get all round experience enabling them to ski any conditions anywhere in future years.

The parallel slalom on the Wednesday evening saw some tight finishes. The snow was good for the competitors but bitterly cold for spectators. This is a fun event with children enjoying the opportunity to race against each other and towards the end challenge their parents – a great evening and our thanks to all those who supported the event. In particular it was good to have some former team GB racers there, including Dan Walker to give the children something to aspire to.

On Friday, race day, we had spit roasted chicken at the Bögalm before our own AVSC race on the Inneralpbach piste followed by prizegiving by the finish hut. There were some good performances and we congratulate James Mason and Immy Adams as our fastest boy and girl and our most improved candidates Alex de la Fuente, Hendrik van den Bout for the second year, Joe Ruston, Theo Barker, Rohan Bigham, Nancy Walker, Jamie Galbraith, William Kingham and Hollen Bailey. Well done Hollen and Jamie our over-all most improved girl and boy.

### Easter

The snow held up well for Easter despite the very warm weather before we arrived and at the start of the week. Numbers were again good averaging 59 over the week making a total of 107 for the season. Ideal conditions gave the top classes the opportunity to ski the spring snow on the Greitalm, something perhaps not many parents have been able to try. We all enjoyed some new powder snow during the week and were able to have lunch at the Bögalm on the Inneralpbach slope, while it was just possible to ski down to the bottom. Our normal activities continued with some pole training and video with playback in the evenings. We introduced a better system for fitting blades at the top, allowing us to get all the classes onto blades for a half day.

We planned to hold the AVSC end of week race followed by the Open Race on Red 3 below the Hornboden with a finish above the Asthütte but overnight rain damage prevented us setting gates there, necessitating a move to the Red 13 run under the Kohlgruben Chair Lift. Even here the piste had deteriorated dramatically forcing us to cancel the Open Race on Friday morning as running the additional Open Race skiers over the same course would not have been possible. We take the opportunity to thank all those

who donated their entry fees to the Club. The conditions for the race were not ideal with thin cloud down the course flattening the light. The children tackled these testing conditions really well, putting to good use what had been learnt during the week. There were some excellent results taking into account the age and the lack of experience of some of the children, while others with a small mistake or a lack of concentration were punished by times that did not reflect their skills on the rest of the course.

We congratulate our Champions Mathew Mason and Immy Adams and our most improved nominees Hector Butcher, Will Rigby, Tom Pertwee, Rufus Hall, Sassy Hammersley, Gus Whitehead, Izzy Akroyd, Sophie Ollerenshaw and our Overall Most Improved Girl Kitty Rigby and Boy Fin Whitehead. The results were distributed with our usual warning. The race takes under a minute, a very small part of the whole week and although racing is not for all of us, we do it because all of the skills learnt during the week come together in this short race and we believe this small competitive element in the week does help push all the children on. Some of the results are exceedingly good; note some of the ages of the children in the finish order.

The better than expected numbers during the season turned our anticipated slight loss, or at best break-even, into a training surplus for the year and this means we will maintain our price of €240 for the 2013 Season

Finally we thank Paula and Jeremy Walker and Conny Margreiter for their sponsorship of our 2012 Most Improved awards. We look forward to seeing you again in 2013.

## AVSC news

---

**Arthur Denaro** announced his wish to stand down as Chairman at the AGM in December 2011. We take this opportunity to thank him for his work on our behalf over the last seven years and look forward to seeing Arthur and Maggie in Alpbach soon.

Our new Chairman, **Keith Howells**, took over in June 2012. His introduction to Alpbach was on a boys' skiing trip some forty years ago when he fell in love with the village and returned with his family. His son was an AVSC trainee, hence Keith's introduction to ski racing. For many years he attended races with the AVSC until injury forced his son to retire. His interest in the racing world continued; he has been on the British Alpine Racing Ski Clubs Ltd (BARSC) Board for many years, became a recognised race official and the Manager of the Great Britain Children's Team, holding this position for some 10 years before retiring. He is now one of three GB Children's Team Patrons. Keith lives with his wife, Maggie, in the Midlands where he is involved in the automotive business and has been President of Nuneaton RFC since 1995.

**Autumn Drinks** After the successful Autumn Drinks Party in London last year we will be holding another Drinks Party on 6th November 6-8.30 p.m. at The Gallery Room, Bluebird, 350 Kings Road SW3 5UU. Like last year there will be a cash bar. Anyone wishing to attend, please contact Vee Thursby at [vivienthursby@mac.com](mailto:vivienthursby@mac.com).

**Carol Service** Our grateful thanks to Rosy, Lady Clarke for the smart new carol service sheets presented to the Club this Christmas.

**Club Weekend** The Club Weekend is being organised by Ian McKinney and will take place on the 2nd and 3rd February. Registration will be on Friday 1st February in Alpbach. Please put this in your diary to assure a good turnout. There is a super programme organised and we look forward to seeing you all. For more information contact Ian at [ian@rjmckinney.com](mailto:ian@rjmckinney.com)

**Amateur Inter-Club Championships** The AICC is in Zermatt on the first weekend in March, hosted by the Schweizerischer Akademischer Skiclub (SAS). We are hoping to enter at least three teams in 2013. Anyone interested in taking part should contact Henry Anstey at [henry.anstey@btconnect.com](mailto:henry.anstey@btconnect.com).

**Lift Pass Discount** Club Members can obtain discounts from Marion at Dinny's Alpbach Travel Club located in the Alpbach Ski School office. The 2012/13 lift pass will include the new Ski Juwel Alpbachtal Wildschönau.

**Snowsport England** The club continues to benefit from its membership of Snowsport England, the sports governing body, which provides third party liability insurance for paid up and named members of the AVSC.

**Caption Competition** The winner of the caption competition in last years Newsletter is Celia Campbell with "I'm sure they said it was down to Joes".

## AICC race report

---

The AVSC took a team to the AICC this year which was held in Gstaad and hosted by the Eagle Ski Club. This is an event which is now in its 6th Year with teams from all the Alpine Ski Clubs assembling to race competitively in various age categories. I think the oldest racer this year was 82 so there is hope for us all. None of the Racers are allowed to have earned FIS points in the last 15 years so the competition really is amateur in the best sense of the word.

We chose a good year to join in as The Eagle Ski Club put on an excellent show in Gstaad. The AVSC Membership will be pleased to hear that their team performed superbly. We were not rude enough to come in as newcomers and steal all the silverware but neither did we discredit ourselves. Pablo Ettinger made a big effort to beat Richard Gower but sadly stumbled in the process, leaving Richard to head the way for the AVSC. Jorge Bocca made our third best time which, given that he could have raced for the 60+ category is a super result and rather puts your correspondent to shame. Anyway, we came 4th in our category – we will improve next year, especially if we get Johnny Ferguson along!

The Eagle Ski Club is at the top of the Wassergrat in Gstaad. The Lift Company announced they would close the area a few years ago so the Club decided that they would just buy the Lift and run it themselves. If you are ever skiing in Gstaad, it is worth a visit as it is an empty piste and a very fast one! We were also guests of the Gstaad Yacht Club for the opening Dinner which really was quite lavish; none of your dinghy stuff here, we ate under the Americas Cup!

The AICC is in Zermatt next year and being hosted by the Schweizerischer Akademischer Skiclub (SAS) on the first weekend in March. We are looking for Racers so please get in touch if you have an interest.

Henry Anstey

## **Restaurant Malerwinkel Rattenberg**

The special surroundings, the architecturally delightful mixture of old and new makes the Restaurant Malerwinkel in Rattenberg so unusual. Gothic cellar vaults, struck directly into the mountain, Roman walls, and 19<sup>th</sup> Century wood panels meet the timeless urban style of the 21<sup>st</sup> century.

A restaurant seating 140, in which guests are spoiled not only culinarily, but also by the singular ambiente of this restaurant.

# British Schoolboys Races 2012

## – Meiringen, Switzerland

The Annual British Schoolboys Ski Races took place this year in Meiringen, Switzerland. Meiringen is a large ski resort, twinned with Hasliberg. It is a competition run by the Downhill Only (DHO) Ski Club, which hosts over one hundred and fifty FIS registered and non-registered young skiers. Teams from many schools around the country compete in good spirit against one another. Each year the competition consists of one Giant Slalom, Slalom, and Parallel Slalom race, each earning points for individual skiers as well as their teams.

This year AVSC junior racers James Ferguson, Tommy Ferguson, James Mason and Matthew Mason competed in the DHO 2012 competition, finishing with respectable rankings in their respective categories. Although the Giant Slalom had an unexpected control gate which took Matt and Tommy by surprise both James F and James M, with later start numbers, benefitted from the advanced warning. The Slalom introduced some challenging icy conditions, together with very limited visibility.

## 2011 Christmas Race

---

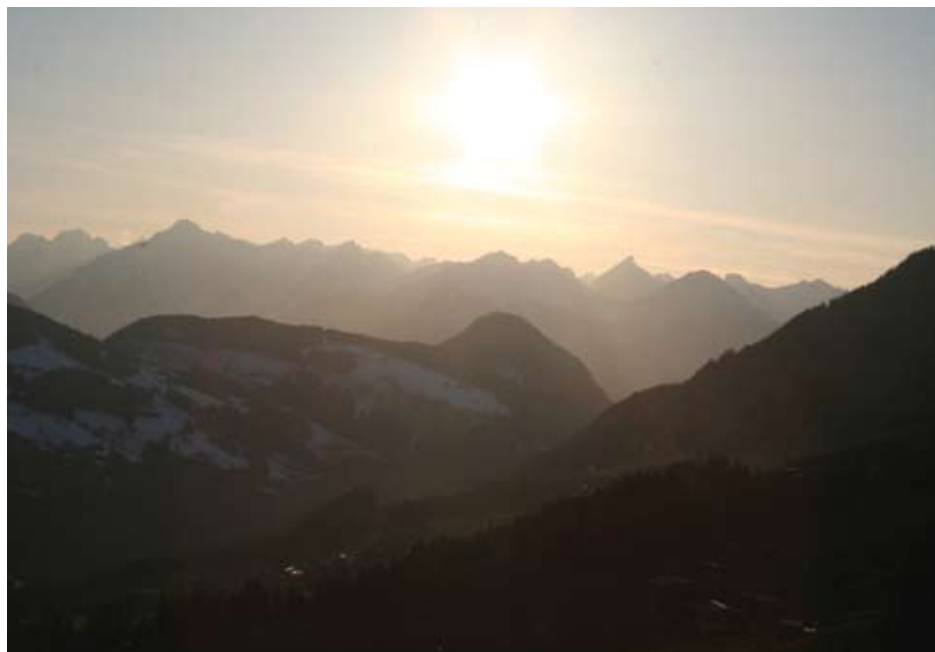

These Christmas Races seem to get more popular every year. What is it about meeting up above Joe's Salettl somewhere and launching yourself down a course of 20 or so gates; and yet, I am looking forward to our Race this year already as I begin to dream of Alpbach and skiing plans for the forthcoming season!

The times get faster and I seem to be a little further behind the leader every year but hey ho, who really cares. Well done to Thomas McLaughlin who held off a strong challenge from young and old to win the overall and to Immy Adams for taking the Ladies. One of these days, I will raid the old AVSC Trophy locker so that we can present a proper cup for this event!

The important prize was won by Jeremy Walker for the "Young at Heart" Come on you older AVSC Members, you can't let Jeremy win it again this year. Other prizes went to Mathew Mason, Best Fall; Connie Marshall, Best Fall & Recovery; Mark Clinch, Best Dressed (that hat had to get an award); Phillipa Johnston, "Pussy Galore Award"; Scott Johns, Youngest Entry.

Thanks to all the helpers and to Gerhard for setting the course but most importantly, thank you to all the competitors, there were 72 of you this year. We look forward to seeing you out on the Race track again this Christmas/New Year.
